OBJECTIVES OF AN INTERNATIONAL NETWORK

- **Raise awareness and advocate multi - sectorial response**
- **Share common principles to guide policies and actions**
 - **Assist to achieve policy change**
- **Serve as a platform for implementing project recommendations**

NETWORK MEMBERSHIP

A stable international network should include:

- **Relevant stakeholders**
- **Members from third countries**
- **Consolidated regional and national sub-networks in each Member State.**

NEEDS FOR A SUCCESSFUL NETWORK MEMBERSHIP

COMMITMENT

TRUST

CLEAR ROLES AND EXPECTATIONS

ORGANISATIONAL SUPPORT

ISSUES TO DISCUSS

- MISSION OF THE NETWORK
- GOALS FOR NETWORK
- NETWORK COMPONENTS
- MEMBERS NEEDS
- RESOURCES
- ACTIVITIES
- PRODUCTS AND SERVICES

QUESTION PROMPTS FOR WGs

1. What should a “Healthcare to returnees” network hope to achieve?
(e.g provide a forum for exchange of information? raise awareness on the EU agenda?)
2. What format should such a network have?
e.g formal or informal?
3. How can such a network be sustained (both in financial and institutional terms)?

Thank you for your attention
